

TOOL 12

12-Week Functional Review

MULTIDISCIPLINARY REVIEW TOOL • PROFESSIONAL RESOURCE

The structured review that anchors the program: baseline against current performance, change in assistance, safety, and the decision for the next 12 weeks.

Participant voice

Review area	Baseline	Current performance	Change in assistance	Safety / consistency	Next 12 weeks
Goal 1					
Goal 2					
Goal 3					
Routine maintenance					
Community / participation					

Multidisciplinary input / referral-back needs

Decision

- Continue current learning plan
- Adapt teaching / environment / prompts
- Generalise to another setting
- Maintain / consolidate

- Seek additional professional review
